

Putnam County. Let's Say Something Happens At Your Job, And You're Accused Of Doing Something Of Which You Are Completely Innocent. You Are Fired From Your Job And Since Your Branch Manager Knows Other Branch Managers, You Are Faced With The Strong And Almost Definite Possibility That You Will Not Be Hired At Another Bank In Putnam County. What Will You Do??? Will You, After Studying For Years In College And Obtaining A B.A. In Finance, Settle For Another Job In Putnam County... Possibly Walmart Or Winn Dixie... Or Will You, Like Others, Be Forced To The City?

Why Isn't There A Committee Established That Is Concerned With Creating Businesses, And More Importantly, Jobs In Putnam County? This Is Something That The Concerned Citizens Of Eatonton Must Ask Themselves. Once You Have That Answer, It Is Also Important For You To Ask Yourself Why The Officials Are Blocking A Plan That Is Guaranteed To Create Jobs For Not Only You, But Your Teenagers. Yes, Even Your Teenagers Will Be Offered Jobs, That Eatonton Can Not Provide. How? Teens In Atlanta Ranging From Age 16-18 Are Offered Employment Opportunities In Malls, Restaurants, Movie Theaters Etc. Why Should It Be Any Different For The City Of Eatonton?

As A Concerned Citizen Of Eatonton, I Don't Understand Why City Officials Are Stopping

Something That Can Benefit Everyone. A Lot Of Business Was Generated In Eatonton In The Week That The Egyptian Christians Held Their Festivities. I Know It, And So Do You. After Talking With A Fellow Concerned Citizen Of Eatonton (Who Just Happens To Be A Member Of The Organization Out There), I Realized The Reason That They Are Being Blocked Is More Than Meets The Eye. It Has Nothing To Do With Their Beliefs, Or Them Being Criminals, Or Their Supposed Leader...It's Fear Of Change. I, For One, Am Tired Of Commuting To Atlanta For Work And Tired Of Getting Home At 8:00P.M., When My Day Ends At 5:00 P.M. Aren't You? And, I'm Just As Tired Of The "Hyped Up" Story In Eatonton As I Am Of The Clinton Scandal. You And I Both Know That What's Going On Is Wrong. Let's Work Together For Once And Really Make A Difference.

## Where Are All The Jobs In Eatonton Going?

With The Fact That Unemployment Rates Are On The Rise, And That The Economic System Is Slowly Falling, How Can City Officials Afford To Block A Plan That Would Create Jobs And Boost The Economic System In Eatonton?

There Are Only A Limited Amount Of People In Eatonton That Actually Work Within The City Limits, The Remaining Are Forced To Travel To Neighboring Cities And Even As Far As Atlanta, Macon And Athens In Order To Find Jobs To Support Their Families. Why Isn't There A Solution To This Problem Being Created In Eatonton?

It Is A Known Fact That It Is Dangerous To Go To These Cities, Where Crime Is At An All Time High. This Is Why Most People Choose To Live In Small Towns. A Prime Example Of This Is On File In The Macon Police Department. A Woman By The Name Of Erin Morgan, A Nuwaubian And Resident Of The Egyptian Village, Was On Her Way To School In Macon Where She Is Studying To Become A Registered Nurse. While In Line At A

Local Fast Food Restaurant, An Assailant Jumped Into Her Vehicle And Forced Her At Gun Point To Drive To A Secluded Area, Where He Robbed Her Of All She Had. I'm Sure That There Are Women Who Are Forced To Travel Alone, That Hear These Stories And Worry. Why Must This Happen??? The Answer Is... So That The Macon Policeman That Took Her Statement Will Have Something To Do. The Sad Fact Is That By Forcing People To Commute, Puts People's Lives In Danger.

Eatonton: Is Having A Major Problem With It's Youth. Why Is That??? It's Quite Simple, They Have Nothing Else To Do!!! Shear Boredom Is Causing Kids, Yours And Mine To Hang Out After School... Drinking, Smoking, Creating Violent Gangs, Tattooing And Piercing Themselves, Listening To All Sorts Of Negative Music And Doing Absolutely Nothing With Their Lives. They Are Being Forced To See No Future In This Little Town Of Eatonton And It Makes Them Want To Seek Lives In The Big Cities. We Are Literally Losing Our Kids. The Statement That Idle Time Is The Devil's Workshop Is Obviously True. This Is Killing Your Dream Of Seeing Them Succeed In Life, By Going To College, Getting Good Jobs And Becoming Respected Citizens Of Our County.

Meanwhile You, Their Concerned Parents, Are Forced Against Your Will To Travel An Hour To Two Hours Away, Just So That

Little *Taylor* Can Afford That New Bike That He's Been Bugging You About. And While You're Sitting In The Five O'clock Traffic Jam (That We All Despise) For Two To Three Hours, You Have To Wonder Or Better Yet Worry About What Little *Taylor* Is At Home Doing. Did He Finish His Homework, Has He Done His Chores, Did He Eat Or Is He Hanging Out With Friends And Is He In Danger? What's Happening To Him?

Do You Realize That The Planning And Zoning Board Meets Only Once A Month. If They Didn't Deny The Requests Of Our Neighbors, The Egyptian Christians, And Force Them To Come Back For Appeals, What Would They Be Doing? I'll Tell You...Sitting On Your Tax Dollars.

Did You Know That The City Of Eatonton Only Has 2 Employment Agencies (B&J Rentals Inc. And Talent Tree Staffing), In Comparison To Atlanta Who Has Hundreds. That Means That There Are Only Two Groups Of People, Two Small Companies, That Are Interested In Finding Jobs For Citizens In The Town Of Eatonton. And Who Are Getting Those Jobs? Let Me Give You Some Statistics... In The City Of Eatonton, As Of The Year 1990, (And The Reason I'm Using The Year 1990 Is Because That Is The Most Recent Information That Has Been Published By The Atlanta Census Department At WWW.Census.Gov't) The Number Of Hispanics Was 30, Euro-American - 1,905,

Afro-Americans - 2,757, American Indians - 6, Pacific Islanders - 34 And Other - 5. The Total Population Was 4,737. (But We All Know That The Population Has Jumped Since The Nuwaubians Began Migrating In 1993.) Now Let's Take The Two Largest Groups And Look At The Average Incomes. Euro-American - \$39,131 And Afro-Americans - \$20,051. In 1990 There Were 10 Afro-Americans For Every 7 Euro-American. Were The Jobs Balanced That Way? In The Banks Of Eatonton, Were There 10 Afro-American Employees For Every 7 Euro-American Employees. Or What About The Schools...Were There 10 Afro-American Teachers For Every 7 Euro-Amrican Teachers? You And I Both Know That The Answer To This Is No. So Are Those Two Employment Agencies Mentioned Above Doing Their Jobs To Offer Equal Employment Opportunity? If You Go To The Different Businesses In Eatonton, You Will See That The Answer Is No.

And Who Owns The Major Franchises In Eatonton? Such As: *Pizza Hut, Popeyes, McDonald's, The Dollar Tree, Bill's, Family Dollar, B.P., Piggly Wiggly*, Just To Name A Few. Who Owns These Big Franchises, (Not Who Works There) And Is The Ownership Equal?

Okay, For The Sake Of Argument, What About The Lucky Ones Who Do Work In The Town. Let's Just Suppose You Work For One Of The Few, And I Do Mean Few, Banks In
