### **Are There Any Other Reasons Tama-Re Has Produced Tama-Re Novelty Money?**

Yes. Unfortunately In Society Today, There Are People Who Are Easily Influenced By Negative Forces And Allow Demons To Possess Them And Convince Them To Do Un-Honest Things Such As Stealing, Which Our Organization Does Not Condone. We Have Done Our Very Best To Create A Clean And Safe Environment Free Of Crime. However, We Are Not Blind To The Fact That Demons Do Exist Among Us And Will Even Steal While On Our Holy And Sacred Land.

While Making Maguraj Or Visiting Any Of Our Other Sites, Our Family Members And Guests Want To Know That Their Possessions Are Safe And Secure From The Demons That Have Come Amongst Us. So We Have Established This System To Curve The Attraction Of The Possibility To Steal. We Have Done This By Making Tama-Re Novelty Money That Can Only Be Used On The

Land So That If Someone Steals The Money, It Is Worthless Anywhere Else. This Cuts Down On The Desire To Steal It. We Are Not Saying That This Is A Sure Safe Way To Prevent Theft, But Moreso Suggest That It Will Be A Detour From Obvious Demons.

We Suggest That Guests Exchange For Tama-Re Novelty Money And Keep Any Other U.S. Currency In A Safe Place. We Also Have Our Own Post Box Office Available With Key And Number With Various Sizes. We Suggest You Keep Your Valuables In One Of Our Post Boxes Or In Your Hotel Safety Boxes. We Still Warn Our Guests To Secure Your Tama-Re Dollars Because Demons Will Still Try To Steal It.

### **What Are The Advantages Of Having Tama-Re Play Money?**

You'll Be Able To Secure Your U.S. Dollars That Has Worth Outside Tama-Re In A Locked Box On Or Off The Land.
