

York Schedule

Daily Schedule

- This is a sample schedule of a very conservative day all based on previous testimonies by the prosecution's witnesses.

Goal and Objective

- The purpose is to prove that based on the limited time available during York's day, the molestation alleged to have occurred with the amount of alleged victims and the alleged frequency was PHYSICALLY IMPOSSIBLE!

Reasonable Doubt

- This presentation will prove that it is physically impossible for one man, with an average schedule that involved so many people, to have committed the regular sexual molestation acts alleged on so many children.

Alleged Victims

- Salha Eddington: at least 1 a week
- David "Taariq" Noel: 3-4 times
- Safa'a LaRoche: 7 times a week
- Krystal Harden: 3-4 times per week
- Shelamoh LaRoche: 1 a week
- Amala "Amanda" Noel: 2-3 times a week
- Adah "Nicole" Lopez: 6-7 times a week
- Khalid "Eddie" Eddington: 3 times a week

Reasonable Doubt

Physical Impossibility

It is physically impossible to have sex

1,446 Times A Year

121 Times A Month

For a ten year span

**Reasonable Doubt
Practical Impossibility**

It is practically impossible to coordinate a schedule for as many years where some people never saw other people

**Reasonable Doubt
Practical Impossibility**

It is practically impossible to engage in unprotected sex with that many girls under the legal age and not result in any underage pregnancies

**Reasonable Doubt
Jalaine Ward's Sworn Testimony
Arraignment and Detention Hearing
Macon, Georgia May 9, 2002 A.D.**

Q: All right. Now, in connection with the travel for the purpose of having sex with a minor, do you have a witness who says that the purpose in the travel was to have the children have sex?

A: The witness says that?

Q: Yes

A: No.

Q: You have no witness that says that?

A: Not that says that no.

**Reasonable Doubt
Who what where is Natharah?**

Why didn't the government bring in Natharah? Why didn't they bring her in in person or show her picture? Why did Nicole "Adah" Lopez and Habiyba "Abigail" Washington the only ones that mentioned her?

**Reasonable Doubt
Jin Hee Bae Chang had a dream:
Is it a dream or is it reality?**

"Sometimes I don't know if it's a dream or reality."

Instruction 9

General Conspiracy Count, 18 USC 371

Fourth: That such "overt act" was knowingly committed at or about the time alleged in an effort to carry out or accomplish some object of the conspiracy.

An "overt act" is any transaction or event, even one which may be entirely innocent when considered alone, **but which is knowingly committed by a conspirator in an effort to accomplish some object of the conspiracy**

Thus the mere proof that one or more overt acts was committed by itself without more is not enough to convict the Defendant.

You must find that this **overt act** was **in furtherance** of the conspiracy.

Thus you must **first** believe that there was a conspiracy to **transport minors in interstate commerce for the purposes of engaging in unlawful sexual activity; to travel in interstate commerce for the purposes of engaging in unlawful sexual activity with minors; and to structure cash transactions so as to evade federal currency transaction reporting requirements.**

Unanswered questions that support reasonable doubt

- Why were there no victims that describe identifying marks i.e. tatoos, scars, marks on York's body?
- Why was there minimal description of pain associated with alleged molestation anal and vaginal penetration?
- Why was there no bloody clothing and no bloody underwear?
- Why are there no video or audio of alleged victims taken by the FBI?
- Why was there a complete absence of allegations of molestation for the fifteen years from 1973 to 1988?
- Why did these alleged acts of molestation start with Habiya "Abigail" Washington in 1988 A.D. and end when she left in 2001 A.D.?

- What were the "favorable concessions" for Abigail Washington?
- Why would a person that has filed and paid taxes for thirty years structure money on three times only during the specific period of time when Abigail Washington was over the finances?
Note: Malachi York has never been audited by the IRS in thirty years.
Note: Tomeka Pittman stated that the only reason for money structuring is for tax evasion
Note: Habiya Washington stated on those deposits she wasn't sure whether or not there was structuring on there because she wasn't sure of total amount she only said that because IRS gave examples
- Why were there no videos of Malachi York molesting children?
- Why were there no pictures of Malachi York molesting children?
- Why were there no pictures of Malachi York nude with anyone?

- Why there no videos or DVDs of adults with children?
- Why were there no videos of child pornography?
- Why were there no nude pictures found of any of the alleged victims?
- Why out of over five hundred DVDs video tapes were there only 18 that were pornographic which is less than five percent?
- Why did the government only answer the DVD case for "Debbie Does Dallas" and not the DVD?
- If Malachi York used baby oil and the Pink Panther why weren't they found at his house in Athens?
- If the government really wanted you the jury to know the truth, why didn't they call the alleged victims in the indictment :

- | | |
|----------------------------|------------------|
| ■ Hasnaa Evans | Husna Evans |
| ■ Keturah Eddington | Rodeya Herbert |
| ■ Qiturah /Keturah Lampkin | Hanaan Merritt |
| ■ Suhaila Thomas | Suhaila Williams |
| ■ Sakina Wood | |

- Why did the government try to influence you, the jury, that legal acts were illegal i.e.:

For example:

- Sex with Qumra Muhammad who was 16 years old
- Abigail Washington's pregnancy at 17
- Nicole Harden
- Sex with Sakinah Parham who was 18
- Ebony Hill
- Jin Hee Bae

Point of Fact

- If this amount of sex acts were occurring on the pillows why was there no DNA evidence presented by the government?
- Ifs this amount of sexual activity was taking place with these alleged victims over this period of time why was there no under 16 pregnancies?
- If there is a Natharah that exists why didn't the government bring her to testify?
- Why are there no surveillance tapes showing any illegal activity being done by Malachi York?
- If there was surveillance done on Malachi York's residence, why was there never surveillance showing a child coming out of his house?
- If Malachi York was such a dangerous person why after 19 months there are no injuries to any of the alleged victims?
- If Jacob York was not a substantial part of the conspiracy against Malachi York why didn't the government ask him to come testify?
- If the government believes Suhaila Thomas really told them that Malachi York molested her why didn't they call her to testify in front of the jury?
